Captain Karnal Sher Khan (NH)

Captain Karnal Sher Khan is an epitome of courage, heroism and gallantry. The valor exhibited by the proud son of soil received wide appreciation from the adversary, who was forced to lift over hundred dead bodies of their soldiers, and the credit goes to a small team of few brave hearts led by young captain of Pakistan Army. The story of selfless devotion to duty, proactive and unparalleled valour amid all odds and hazards, makes him larger than life; hence, he provides a beacon of hope and aspiration to the budding youth. Therefore, the College has been established to pay homage to the proud recipient of Nishan-e-Haider and provide nation with Sherians for the future.

Karnal Sher Khan was born in Faujoonabad near Nawan Kalli, Swabi, on January 1, 1970. His grandfather Ghalib Khan, a Kashmiri freedom fighter, named him 'Karnal Sher': a military name with the amalgam of lion-like-bravery. In 1992, he joined Pakistan Military Academy Kakul and was commissioned in 27 Sindh Regiment in 1994.

During Kargil Conflict, he was posted to 12 Northern Light Infantry Battalion along the Line of Control in Gultari Sector. His company was responsible for Tiger Hills, which towered majestically above all other mountaintops in its vicinity, and dominated the Srinagar–Kargil–Leh highway. In an attempt to retake the locality, the enemy commenced operations on 6 June 1999, but entire month of June wasted in futile attempts, with multiple casualties. Ultimately, the Indians decided for another attempt on 3rd July after intense air bombing by IAF. The fresh attack was launched by 192 Mountain Brigade, comprising two battalions, with cracks team from High-Altitude Warfare School, supported by fire of nearly 120 field and medium guns, 122-mm multibarrelled rocket launchers and mortars. Sher Khan, however, managed to beat back multi-pronged repeated assaults. On 5th July 1999, enemy tried to mount another assault but failed. On night of 7-8 July, 1999, Karnal Sher Khan blocked enemy penetration of almost a Battalion and wreaked fatal blows on infiltrating parties of enemy with very high casualties. In the meantime, the enemy's light machine gun opened up fire, and he received multiple injuries. Not with standing his wounds, he kept on firing on the enemy and severely disrupted their attack. But he could not received the bullet wounds on chest and forehead, and embraced "Shahadat". The Indian Army impressed from his audacity and fearlessness sent "a note of praise" with the body of Karnal Sher Khan suggesting the highest military award for him.

In recognition of his ultimate sacrifices and unparalleled courage, Government of Pakistan decided to established a Cadet College and provide opportunity for the youth be benefit and follow the footprint of Sher Khan.

Introduction

Sacrifices never go unrewarded whether great or small; they have a unique touch of wonder that brings about lasting changes and leaves a trail behind. Blessed are the beings that are elected to live a worthy life and die a noble cause. Few have the honor to be close to the heavenly realms; for them to die is gain. Captain Karnal Sher Khan Shaheed (NH) was also among those rare souls; he had the sense of place in this world and a heavenly place in the next. He met his maker with dignity and his sacrifice opened the gates of glory for the country. It was also in the

divine's good purpose that his martyrdom serves as a spring of undying inspiration for the youth of Pakistan and paved the way to the origin of an institution of its kind, a source of training and acquiring knowledge for many. It was comforting to construct a memorial, to make his memory immortal and to keep his spirit alive amongst his own where he was born and raised and first learned to love his motherland. He was valiant as a lion and refused to compromise with the enemy, thus bid farewell to all as an honoured martyr carving his name with his blood. In recognition of his great sacrifice, he was awarded the highest gallantry award Nishan-e-Haider.

History & Evolution

In order to pay tribute to his courage and unprecedented sacrifice, Karnal Sher Khan Cadet College was established at Swabi. The then President of Pakistan, Gen Pervaiz Musharraf's visit to the Mausoleum of Karnal Sher Khan Shaheed (NH) brought the glad tidings of this magnificent enterprise. Both KP and Federal governments allotted 820 acres of land for the construction of the College. A total of 372-16 acres of land was allocated in village Ismaila coupled with 448-01 acres of land, apportioned in village Adina for the construction of a commodious College. Commander Peshawar Logistic Area Brigadier Zafar Ullah Khan and his team played a vital role in the procurement of land for the College and its subsequent construction. Commander 11 Corps Lt. Gen Ali Muhammad Jan Orakzai was designated as the Chairman Board of Governors (BOGs) who presided over the earth breaking ceremony on 8th March 2004. After the completion of Phase I in February 2011, it was decided to make the College functional from September 2011.

On 3rd June 2011, first formal meeting was held between the Project Director and the Chairman BOGs to decide upon appointment of Principal and selection of Faculty. The selection panel was headed by Lt. Gen Asif Yasin Malik Chairman

BOGs. Brigadier Faqir Riaz Yunus, a magnanimous soul, was designated to be the first Principal of the College with a thorough background relevant to some of the elite institutions of the country. Similarly, in April 2011, Chairman BOGs appointed Lieutenant Colonel Khalid Bashir (Retired) and Colonel Muhammad Iqbal Munnawar (Retired) as Vice-Principal and Director of Studies (DOS) respectively on the recommendations of Brigadier Faqir Riaz Yunus.

The first entry test was conducted on July 10, 2011 at different stations: Lahore, Rawalpindi, Kohat, Peshawar and Mardan. Approximately, 1361 candidates applied for admission in which 674 candidates applied for 8th class. The results of written tests were announced on 24th July, 2011. The qualified candidates were interviewed and medically examined from 1st to 8th August, 2011. Within 10 to 15 days, selected candidates were issued letters based on the merit list. The first special entry of 1st year was accommodated in Jinnah House, whereas the first regular entry of 8th class was housed in Iqbal House. Consequently, the first academic session commenced after the selection of cadets on 12th September, 2011.

ہم دھرتی کے غیور جواں
ہیں پاک وطن کے پاسباں
اپنی مٹی پر ہیں نازاں
ہم شیرنمین، ہم شیر جواں

ہم شیر ہیں، ہم شیر ہیں

اقبال بھی ہم، قدیر بھی ہم
آسلاف کی نظیر بھی ہم
عزیز بھی ہم، شبیر بھی ہم
مستقبل کی تقدیر بھی ہم

ہم شیر ہیں، ہم شیر ہیں

ہم عظمت کے مینار ہیں
ہم وحدت کی پکار ہیں
ہم قوت سے سرشار ہیں
ہم پر تو ایشاں ہیں

ہم شیر ہیں، ہم شیر ہیں

ہم امن کے رکھوالے ہیں
ہم فلک کے چھونے والے ہیں
دم تازہ شیر جیالے ہیں
ہم دکتے چاند ستارے ہیں

ہم شیر ہیں، ہم شیر ہیں

ہم دھرتی کے غیور جواں

چوتیرے بیاباں کی ہوا تجھ کو لو ارا
اس فشتے سے بہت ہے نہ دلی نہ بخارا

Winds of these wasteland be your love!
Bokhara, Delhi, are worth no more.

حاصل کسی کامل سے یہ پوشیدہ نہ کر
کہتے ہیں کہ شیشے کو بنا سکتے ہیں خارا

Learn from some master, this strange craft
They tell that how glass is forged flint-hard

ان سراؤں کے ہاتھوں میں ہے اقوام کی تقدیر
ہر سر ہے تکتے محنت ترکا ستارا

Fortunes of States through individual prowess ripen
Each man one star of their ascendant (Destiny)

محرم رہا دولت دریا سے وہ غوص
کرتا نہیں جو حجت ساحل سے کنار

Ocean withholds her treasure when the diver
Groping for pearl shells Clings by land's margin.
